June 2024

- This web page is for an online store. It contains various items.
- The customer can add the item to their cart and order it.
- You can also join our closed group through the search section and email address. This telegram is attached to a bot.

### You are strong

September 2024 – October 2024

- This website was created as a charity fund to financially encourage children with the disease.
- On the site, detailed windows have been opened about the activities and work done.
- This site was created in 2 languages, Uzbek and Russian. Our goal: to unite those who want to donate under one slogan.
